CIVIL ACTION NO. 6:07-CV-113 LED

**STIPULATED ORDER ON EXECUTION OF
JUDGMENT AGAINST MICROSOFT**

The parties have agreed as follows:

A. Microsoft will not be required to post bond or other security pending appeal. Plaintiffs have agreed to accept the verification of Exhibit A to this Stipulated Order as sufficient evidence of Microsoft's present ability to satisfy the Judgment in this matter.

B. Microsoft further agrees (i) to provide updated verifications, in the form of Exhibit B hereto, to Plaintiffs on a quarterly basis, confirming Microsoft's continuing ability to satisfy the Judgment in this matter and (ii) to report to Plaintiffs, in the form of Exhibit C hereto, within seven (7) days of the Company's determination that its ability to satisfy the Judgment is compromised.

C. Microsoft agrees that, as provided in Exhibit A, Microsoft will pay within 15 (fifteen) days of the completion of all appeal and remand proceedings (including any proceedings before the Supreme Court of the United States), or within 15 (fifteen) days of the expiration of the times for initiating such proceedings, any payments then due under the Judgment.

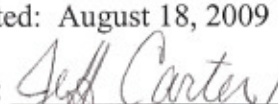

D. In reliance on the certification of Exhibit A and Microsoft's obligations in paragraphs B and C immediately above, Plaintiffs agree that they will not execute before 15 days after the mandate issues as provided in paragraph C.

E. Any party can move the Court for modification, failing agreement between the parties on such modification, under any circumstances which that party deems sufficient to justify modification.
